

Editing Photos and Maximize its Effect

Janette Toral

Editing tools to use (DEMO)

- [Pixlr.com](https://www.pixlr.com)
- [Fotor.com](https://www.fotor.com)
- [Canva.com](https://www.canva.com)

Protect your photos

- Add watermark
- Share low resolution images (800 pixels)
- Add copyright notice on your photo's metadata.
- On social media, limit photo access to “friends” only.
- Use photo-sharing sites for professional photos.
- Report mis-use of images.
